Top drivers

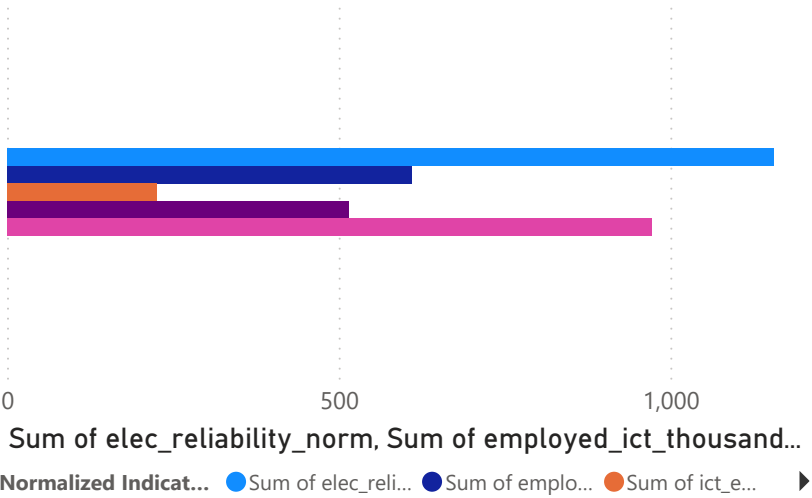

First curriculum for chosen state(s)

Advanced: Cloud Infra, DevOps, Cybersecurity

First top driver for chosen state(s)

broadband_norm

Normalized indicators for chosen state(s)

Method:

Indices = ERI, WRI, EI
PriorityScore = 0.4*W_gap + 0.2*I_gap + 0.4*EI

PriorityScore:

Lower => less infrastructure and workforce, needs more social equity
Higher => DC-ready states

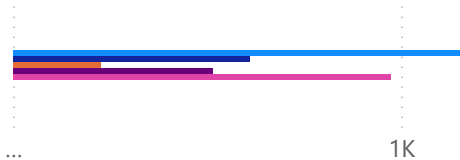

Advanced: Cloud Infra,
DevOps, Cybersecurity

First Curriculum
